Course Evaluation Survey

Posted on: Thursday, December 8, 2022 8:45:59 PM EST

Dear Everyone,

Greetings to you.

Completion of the course evaluation survey is part of the concluding and wrapping-up process in the end of the semester. If you have not done so, I would really appreciate if you kindly complete the course evaluation survey as soon as possible before the survey ends this week. I am truly glad and grateful for having you all in this course.

I am highly grateful for your understanding, valuable time, and considerations. Please let me know if you have any questions and/or comments.

Thank you.

Best Regards,

IEEE Erie Section - Student Research Competition (SRC)

Posted on: Thursday, October 6, 2022 8:33:57 PM EDT

Dear Everyone,

Greetings to you.

Hope everything is great with you. If you have any (research) project, senior design project, and/or any high-quality course project that you may want to present to others as a poster presentation, please register for the upcoming "**Institute of Electrical and Electronics Engineers (IEEE) Erie Section - Student Research Competition (SRC)**" event. The partly completed research efforts/project or the demonstrable methodologies with certain preliminary results are acceptable as well. The awards from this competition are three-rank prizes as well as certifications from IEEE that they show your engineering skills and add significant values to your career resumes.

You can learn more about this event and register for it in: "<https://events.vtools.ieee.org/m/320271>". The registration deadline is on **October/30/2022** and the presentations should be provided on **November/11/2022, 5:00 PM - 7:00 PM**. The participants in the competition will be from Gannon University, Penn State Behrend, and Mercyhurst University.

If you are interested in this competition, kindly send an email to me or **Dr. Md Tajmilur Rahman**, "rahman007@gannon.edu".

I am highly grateful for your understanding, valuable time, and considerations. Please let me know if you have any questions and/or comments.

Thank you.

Joining IEEE Young Professionals Group

Posted on: Sunday, September 18, 2022 6:32:54 PM EDT

Institute of Electrical and Electronics Engineers (IEEE) Young Professionals (YP) is a group of IEEE members and volunteers who have graduated from their first professional degree within the past 15 years.

It is an international community, whose members are interested in elevating their professional image, expanding their global network, connecting with peers locally, and giving back to their community.

Since it encompasses all members from recent university graduates to experienced professionals and entrepreneurs, the group is highly diverse in what it has to offer.

We are currently looking for volunteers who would be interested in Young Professional leadership roles at the Area and Region levels. A number of the responsibilities would be:

Posted by: Shayan Taheri
Posted to: 22FA Trusted OS
0A

1. Manage and lead IEEE Section Young Professional Affinity Group through the IEEE committee structure.
2. Set-up and run Regional YP activities -- virtual, hybrid, and in person as decided by your group.
3. Report on activities and represent the Region in IEEE activities, both virtual and in-person.

More information about IEEE YP can be found here: "yp.ieee.org".

The **IEEE Women in Engineering (WIE)** International Scholarship: "<https://wie.ieee.org/wieinternationalscholarship>".

If you are interested in this volunteering opportunity, please email **Ms. Marwah B. Obaid**, "obaid003@gannon.edu".
